

BIG BOY PROBLEM WAS DISCUSSED

Mr. Lawrence Addresses Another Large Meeting of Sunday-School Workers.

HOW TO GET BOYS TO ATTEND

The Speaker Offers Many Practical Suggestions Looking to Solution of Difficulty.

At the share street Baptist Church last night the second of the series of Sunday-school study meetings was held. The address of the night before drew a large audience of representative Sunday-school workers, and the speaker, Mr. Lawrence, was well received.

Mr. Lawrence presided and conducted the brief devotional service, in the absence of Mr. R. E. Magill, the president of the Sunday-School Union, who was ill.

Mr. Lawrence's subject was, "The Big Boy Problem." He said, in brief, "I am here to give you a few suggestions only to help you to understand the problem. I am not here to solve it for you, but to help you to solve it for yourselves."

He said that the problem of the big boy is not a new one, but one that has been with us for many years. He said that the big boy is a boy who is not interested in the Sunday-school, and who is not interested in the church. He said that the big boy is a boy who is not interested in the Bible, and who is not interested in the Lord.

BRISTOL VS. RICHMOND.

Tournament Between the Crack Bowlers of Two Cities.

The first game of the bowling tournament between the crack Bristol team and the Richmond team will be rolled to-night in Williams' alley. The Richmonds have been sharpening their wits for nearly two weeks now, getting in proper shape for the big match. At present their condition cannot be improved on, and their backers are confident that they will come out ahead of the game.

As is usual in the games between two cities where the teams are not in the same alley, the match will be conducted by wire. As soon as a man finishes rolling in Bristol, the result of his last roll is sent to the team in Richmond, and the Richmond players do the same for Bristol, and in this way the games can proceed exactly as if the teams were in the same alleys.

LUNENBURG MAN HAS APPENDICITIS

Former Superintendent of Schools W. N. Love Brought Here Very Ill.

For two years Mr. W. N. Love, ex-superintendent of schools of Lunenburg county, and a man who is held in the very highest esteem in the county, has been suffering from appendicitis.

He did not know the cause of his ailment until he came to Richmond two weeks ago, and was treated by Dr. Edwin Gray.

Obligated to return to his home and sign warrants for the salaries of the school teachers of the county, Mr. Love returned to Lunenburg, but at the time was admonished to be back in Richmond within a few days.

He was taken sick and could not return until last night. On the delayed train he reached Richmond at 8:30 o'clock, and was at once taken to a room in the Hotel Richmond, where he is now lying.

Dr. F. D. Gregory, of Lunenburg county, accompanied Mr. Love to the city. Dr. Gregory, Geo. and Hensley were in consultation last night. They decided that an operation was imperative.

It is said by the physicians that Mr. Love has been suffering from appendicitis for two years. Once he has been treated for pneumonia.

Besides his physician, Dr. Gregory, his brother, the Rev. Stephen H. Love, and his brother-in-law, Hon. C. L. Hardy, accompanied Mr. Love to Richmond. His son, Mr. Ample Love, is also here. All will remain until after the operation.

Mr. Love was taken sick about two years ago, and has since been unable to attend to any work. He attended the school teachers' convention here two weeks ago, and was taken sick the day before he proposed leaving the city. When he was taken sick, he found that the cause of the sickness was appendicitis, and advised Mr. Love to undergo an operation at once.

This organization has done a noble and useful work and has done it with intelligence, holding the disposition of its charity to the welfare and the reliable character of its beneficiaries.

In its appeal for funds, Mr. Valentine says, after briefly summarizing the history of the organization:
